ALJON MARC M. FABROS
Purok 3, Divisoria, Dante St. | 09162629775 | faljonmarc@gmail.com

PROFESSIONAL PROFILE

BSIT student pursuing an entry-level IT Support role. Familiar with foundational computer hardware, operating system configuration, peripheral setup, and basic network connectivity concepts through coursework and practice activities. Interested in helping users, documenting technical issues, and following structured troubleshooting procedures. Ready to learn workplace support tools and develop hands-on experience.

RELEVANT SKILLS

Technical Support: Basic troubleshooting, peripheral setup, software configuration, technical documentation
Computer Systems: Hardware components, operating system fundamentals, file organization
Networking: LAN and Wi-Fi fundamentals, IP addressing concepts, connectivity checks
User Support: Clear communication, patient assistance, issue recording, following procedures
Productivity: Document preparation, organized record keeping, Microsoft Office fundamentals

RELEVANT ACADEMIC ACTIVITIES

Computer Setup and Maintenance Exercises

- Studied computer components, peripheral connections, and routine system setup procedures.
- Practiced following checklists to identify basic device and configuration issues.

Network Fundamentals Exercises

- Reviewed local network concepts, IP addressing, and common connectivity troubleshooting steps.

Technical Documentation Activity

- Prepared organized notes outlining steps for checking and reporting common technical problems.
